MAYSVILLE, KY., MONDAY, SEPTEMBER 11, 1905.

ONE COPY—ONE CENT.

THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Friday Mrs. Anna Brown, aged 34, fell over a cliff at Salt Lick, Lewis county, and broke her neck.

The Kentucky Conference, M. E. Church, South, in session at Covington, elected W. W. Ball of this city as one of the Lay Delegates to the General Conference which meets at Birmingham, Ala., in May next.

I have now in my employ a very capable workman. We will give special attention to watch, clock and jewelry repairing of all kinds, promising prompt attention and low prices. P. J. MURPHY, the Jeweler.

The Sovereign Grand Lodge, I. O. O. F., will meet next week in Philadelphia; and Saturday Messrs. William H. Cox and Hal C. Curran will leave for that place—the former to attend as Grand Representative, and the latter to act as Assistant Secretary.

Mr. P. H. Moffett, Manager of the Knoxville, Tenn., Baseball Club, was in the city Saturday. In some way he was deluded into the belief that Maysville had a high-class ball team and his mission here was for the purpose of signing dates with the boys.

Secretary Moss of the Board of Civil Service Examiners for this District, with headquarters in Cincinnati, was in the city Saturday. His mission was to appoint a Secretary of the Local Board in the place of Mr. Leo Devine, resigned. This appointment is made upon the recommendation of the Postmaster, and Mr. Matthews selected Mr. Harry Purnell.

The many friends of Rev. R. E. Moss, both in and out of the Church, will be pleased to learn that he has not given out that he will leave Maysville. It is hoped by the best people of this community that he will not leave, for his ministrations are much needed here. Maysville and Mason county and Kentucky cannot afford to let such men as Mr. Moss leave. We all hope he will stay for another year at least.

A. J. STILES.

Mr. A. J. Stiles, one of Mason county's wealthy and influential citizens, died Saturday morning at 10:30 o'clock at his country home at Shannon after an illness of about a week, in the 72d year of his age.

Mr. Stiles was born in Mason county near Germantown, and early in life he moved to Shannon where he has continued to live, respected and loved by his neighbors.

Uncle Jack, as he was known by his friends, was a generous man, and his hospitality was not confined to the community in which he lived and was an ornament.

He was a Mason and a member of the Methodist Church.

Besides a wife, son and daughter, both very young, he leaves two brothers and two sisters—Mr. John Stiles, living near Germantown, Mr. Charles Stiles, who resides near Sardis, Mrs. Woodward of Lexington and Mrs. Almira Hill of this city.

The funeral will take place this afternoon at 2 o'clock with services by Rev. W. P. Eobler. Interment in Shannon Cemetery.

PLANS PERFECTED

Large Crowd to Attend Sunday-School Convention

Those interested in taking a large delegation from our city to the County Sunday-school Convention had a meeting yesterday afternoon.

Though not a large one, the gathering was enthusiastic, and plans were laid for securing a good attendance from the different schools.

The public generally is also invited to go.

The final arrangements for conveyances are in the hands of Mr. George H. Frank, and those who want to be sure of a place in the wagonettes should see him at once.

The meeting is at Hebron Church, Friday, September 15th.

Mr. J. B. Newton, recently a member of the Ohio River Lumber Company, has associated himself with a large Cincinnati concern, and expects soon to remove with his family to that city, much to the regret of many friends here.

Mr. Gilbert Tolle, who suffered a broken arm while going down the Alpine Slide at Beechwood several weeks ago, is able to be out, and will resume work in a few days. He considers himself fortunate in having escaped more serious injury; and he asks THE LEDGER to say that the statement that he was intoxicated when the accident occurred was erroneous, and did him injustice.

CHARGES WERE FALSE

The Rev. George Froh of Washington Fully Vindicated

At the Conference of the M. E. Church, South, at Covington Saturday, the Rev. J. R. Deering, Presiding Elder of the Maysville District, called attention to charges against Rev. George Froh of Washington for disseminating unsound doctrine.

Rev. Froh was present, and in a plain talk concerning his Ministry told of the good he has accomplished since his admission into the Conference in 1871, and said he was willing to have the Committee to investigate.

Bishop Candler appointed Dr. W. F. Taylor, Dr. J. O. A. Vanght and Dr. W. F. Vaughn a Committee on Investigation, and they returned a unanimous report dismissing the charges.

CIVIL SERVICE MUDDLE

How a Visiting Official Ran Against the Postoffice Mess

While the Civil Service and its devices working, for the good or bad of the Government's best intentions, have occupied the attention of statesmen, politicians and officials for years gone by, the real strenuousness of the thing was not made apparent to a Maysville audience until the advent on last Saturday of Secretary Moss of the District Board, in which this community is included.

As stated elsewhere in this issue, the coming of Mr. Moss was for the purpose of transferring the Secretaryship of the Local Examining Board from Mr. F. L. Devine, Postoffice Clerk, resigned, to Mr. Harry Purnell, his successor as Night Clerk, who commenced his duties last night.

Mr. Moss came unaware that there were dissensions in the local Postoffice. The Maysville public was not so wholly unprepared. For some days there had been rumors of charges being preferred by Mr. Devine against Mr. Ernie Ort, present Chief Dispatching Clerk at the Postoffice, on account of alleged irregularities in the conduct of a Civil Service examination five years ago, at which Mr. Ort was the only competitor, he having been three months previously appointed to a temporary clerkship. The charge, as threatened and finally made by Mr. Devine, was that the examination of Mr. Ort was not in strict accordance with the rules, and that Mr. S. T. Hickman, former Assistant Postmaster, and at the time of the examination in question Secretary of the Local Examining Board, and in charge of the examination, had assisted Mr. Ort in such a manner as to enable him to pass at the required average.

Mr. Devine had submitted his charge in writing some days ago, but the correspondence had not reached Secretary Moss, and he ran unexpectedly into a storm center of remote possibilities.

Testimony was taken by Mr. Moss in the affidavits of Messrs. Ort, McKellup and Hickman, with Mr. C. B. Fish, Railway Mail Clerk, and an unknown, to be heard from.

The central figures in the controversy have been connected with Postoffice affairs for some years.

Mr. Ort was appointed a Stamp Clerk in July, 1900. He was promoted to the position of Chief Dispatching Clerk upon the elevation to the Assistant Postmastership of Mr. D. W. January in October, 1903.

Mr. M. E. McKellup was appointed a General Utility Clerk in July, 1899, and is now on night duty.

Mr. Devine has served in various capacities for two years past, and resigned several days ago with a view to entering college preparatory to a professional life.

Mr. Hickman was Assistant Postmaster for several years.

THE LEDGER'S suggestion that STEPHEN COLLINS FOSTER, author of "My Old Kentucky Home," deserves a statue and a niche in the New Capitol, has met with generous approval.

THE Association of Spanish War Veterans is moving to get possession of ABRAHAM LINCOLN'S birthplace. The historic spot in Larnie county was recently purchased by R. J. COLLIER of New York, and, acting upon a report that Mr. COLLIER would present the place to one of the Patriotic Orders of America, the Louisville Camp of Spanish War Veterans will introduce the subject in the National Encampment, and the matter will be brought before President ROOSEVELT and Mr. COLLIER.

Of course you don't know just how cyclones are born; so this will put you wise—

ST. LOUIS, September 7th.—Dr. W. J. MCGEE, who was head of the Anthropological Department of the World's Fair, was in St. Louis yesterday on his way back to Washington, after a remarkable four months experiment in the Great American Desert, Arizona, in which he said he discovered how storms are bred in the region, which has long been termed the "storm-breeding belt." "A reservoir of vapor is formed over the Pacific coast and the Gulf of California," he said, "and this swings over the 'storm-breeding belt.' The ground here is perfectly level and the radiation from the earth's surface is consequently regular and even. The heat radiation from the desert is, of course, very great. This strong radiation by its regularity keeps the aqueous vapor high above the earth in a stable condition. When the vapor moves Eastward, over the mountains, and meets the irregular radiation that comes from the uneven surface of the earth, a precipitation of the vapor results, causing rain and storms."

Now, if you're not good you ought to be.

I AM much pained to learn that there is "crookedness" charged in Civil Service examinations at the local Postoffice, for I have been told, day in and day out, that Civil Service was the one blessed thing political, and that the "Spoils System" was rotten to the core; but it looks like there was now to be a turn in what has been quite a long lane, judging from the following statement printed in The Evening Bulletin, and which Mr. DEVINE assures THE LEDGER is literally true—

"If the charges that have been lodged with C. W. MOSS, Secretary of the Sixth Civil Service District at Cincinnati, by Secretary LEO DEVINE of the local Board can be substantiated, it looks like there was something rotten about the examination held here a few years ago for Postoffice Clerk, at which time ERNE ORT was the only candidate examined.

"Mr. DEVINE says the first knowledge he had of the matter was about the first of February, when Mr. McKELLUP, a Postoffice attache, came to him and said he believed the examination of ORT was crooked. He looked up the records and found that Secretary SAMUEL T. HICKMAN was the only Examiner present, which was unusual and looked suspicious. He did not feel justified in making a report on such meager evidence, but says that shortly after this the same party told him that Mr. HICKMAN had stated to him that he had given Mr. ORT assistance enough to pass. L. and N. Mail Clerk FISH made a similar statement afterwards, and he says these parties asked him to make a report, but as they would make no affidavits supporting the charge, he refused.

"A week ago another gentleman agreed to make affidavit, on condition that his name be kept secret, to the effect that HICKMAN had told him he had given ORT information enough to enable him to pass, and that without his help ORT would never have stood the examination.

"When asked about the matter HICKMAN wanted to hush it up, saying it was five years old and that he did not want to get into any controversy over the matter. He refused to make any other statement than that he would tell the Commission the whole truth when questioned by it.

"The matter will be thoroughly investigated by the Civil Service Commission, and if the charges are sustained, there will likely be a flip-flop in the local Postoffice."

Whoever is to blame, whatever the cause, one thing is absolutely certain—Civil Service has not benefited the Maysville Postoffice. To the contrary, it has increased the "allowances" to the office for Clerk hire from \$1,600 a year to \$3,700 a year, and installed several employees utterly unfitted for the service required.

Let the band play.

Woman's Kidney Troubles

Lydia E. Pinkham's Vegetable Compound is Especially Successful in Curing This Fatal Disease.

Mrs. J. W. Lang and Mrs. S. Frake

Of all the diseases known, with which women are afflicted, kidney disease is the most fatal. In fact, unless early and correct treatment is applied, the weary patient seldom survives.

Being fully aware of this, Mrs. Pinkham, early in her career, gave exhaustive study to the subject, and in producing her great remedy for woman's ills—Lydia E. Pinkham's Vegetable Compound—was careful to see that it contained the correct combination of herbs which was sure to control that fatal disease, woman's kidney troubles. The Vegetable Compound acts in harmony with the laws that govern the entire female system, and while there are many so-called remedies for kidney troubles, Lydia E. Pinkham's Vegetable Compound is the only one especially prepared for women, and thousands have been cured of serious kidney derangements by it. Derangements of the feminine organs quickly affect the kidneys, and when a woman has such symptoms as pain or weight in the loins, backache, bearing down pains, urine too frequent, scanty or high colored, producing scalding or burning, or deposits like brick dust in it; unusual thirst, swelling of hands and feet, swelling under the eyes or sharp pains in the back running down the inside of her groin, she may be sure her kidneys are affected and should lose no time in combating the disease with Lydia E. Pinkham's Vegetable Compound, the woman's remedy for woman's ills.

The following letters show how marvelously successful it is.

Lydia E. Pinkham's Vegetable Compound; a Woman's Remedy for Woman's Ills.

Mrs. Samuel Frake, of Prospect Plains, N. J., writes:

Dear Mrs. Pinkham:— I cannot thank you enough for what Lydia E. Pinkham's Vegetable Compound has done for me. When I first wrote to you I had suffered for years with what the doctor called kidney trouble and congestion of the womb. My back ached dreadfully all the time, and I suffered so with that bearing-down feeling I could hardly walk across the room. I did not get any better, so decided to stop doctoring with my physician and take Lydia E. Pinkham's Vegetable Compound, and I am thankful to say it has entirely cured me. I do all my own work, have no more backache and all the bad symptoms have disappeared. I cannot praise your medicine enough, and would advise all women suffering with kidney trouble to try it.

Mrs. J. W. Lang, of 626 Third Avenue, New York, writes:

Dear Mrs. Pinkham:— I have been a great sufferer with kidney trouble. My back ached all the time and I was discouraged. I heard that Lydia E. Pinkham's Vegetable Compound would cure kidney disease, and I began to take it; and it has cured me when everything else had failed. I have recommended it to lots of people and they all praise it very highly.

Mrs. Pinkham's Standing Invitation.

Women suffering from kidney trouble, or any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. Out of the great volume of experience which she has to draw from, it is more than likely she has the very knowledge that will help your case. Her advice is free and always helpful.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

MATT. HENNESSEY'S PLUMS

Several Lucky Windfalls For the Commonwealth's Attorney

Since Mr. M. J. Hennessey's appointment to the office of Commonwealth's Attorney he has had several good-sized plums drop into his lap.

It was only a few weeks ago that he received 50% of a \$500 fine in the Bracken Circuit Court against the C. and O. Railway for failure to provide a "Jim Crow" Car.

Now comes the forfeiture of the Beech bond in the Lewis Circuit Court amounting to \$1,000, of which a good chunk goes into his inside pocket.

The state's portion of the \$1,000 is very meager, the money being divided as follows—Commonwealth's Attorney, \$500; County Attorney, \$300; Circuit Court Clerk, \$100; Trustee of Jury Fund, \$40, and the Commonwealth \$160.

WORMS

"I had for years suffered from what medical men called Dyspepsia and Catarrh of the Stomach. In August I purchased a box of Cascarets and was surprised to find that I 'had' em—yes—a wiggle, squalling mass left me. Judge our doctor's surprise when I showed him thirty feet, and in another day the remainder about the same length of a tape-worm that had been sapping my vitality for years. I have enjoyed the best of health ever since. I trust this testimonial will appeal to other sufferers."
